

## **REPORT REGATA NAZIONALE MODELVELA – CLASSE IOM**

### **1° Trofeo Città di Sabaudia**

**14 – 15 SETTEMBRE 2019 # SABAUDIA (LAGO DI PAOLA) presso il CIRCOLO ANMI di SABAUDIA**

Grande successo ha avuto lo svolgimento della penultima Regata Nazionale della stagione per la Classe Velica MODELVELA (IOM CLASS).

Il gran numero di concorrenti, ben 27, provenienti da molte regioni, ha dimostrato la straordinaria crescita della Classe Modelvela.

Le 30 regate di flotta disputate, in una splendida cornice del Lago di Sabaudia e con bel tempo in entrambe le giornate, sono state caratterizzate da altissima qualità tecnica dei partecipanti. Sabato con buon vento di maestrale e la domenica con un bel ponente sotto l'ottima direzione del CdR Livia Serafini, Carlo Cicerano della IV Zona FIV e Mario Di Monte dalla V Zona FIV.

Hanno contribuito alla riuscita della manifestazione la squisita accoglienza, nelle sue funzionali strutture della Associazione Marina d'Italia di Sabaudia e una puntuale ed efficiente macchina organizzativa.

L'ottimo livello dei regatanti, erano presenti tutti i migliori in Graduatoria Nazionale Modelvela, ha permesso al pubblico presente di assistere a regate piacevoli, spettacolari e tiratissime, dove le doti tecniche e tattiche dei velisti in gara hanno potuto esprimersi al meglio.

Con ben 6 primi e 6 secondi posti vince Pierluigi Puthod del Circolo Vela Bellano, in acqua con il nuovo Yacht progettato dell'Architetto Giovanni Ceccarelli, seguito al secondo posto da un concentratissimo Gianluigi Rudoni del Circolo Vela Pescallo con 3 primi e 3 secondi posti. Al terzo posto si è classificato il ravennate e Campione Italiano 2019 Elio Cavallo del Circolo Nautico Cesenatico con 5 primi ed un secondo posto, seguito dal Segretario della Classe IOM il campano Remigio Fattori, al quinto posto il toscano Riccardo Bonechi della LNI di Siena, a seguire il Ravennate Luca Gardini, poi il barese Giuseppe Triggiani, seguono gli altri skipper, tutti a breve distanza.

Al termine delle regate si è svolta una simpatica lotteria, dove agli skipper più fortunati sono stati distribuiti materiali tecnici per le imbarcazioni offerti dalla MX COMPONENTS, un set di vele dalla ONYX SAILMAKER e delle polo della Azienda MORI MARE di Terracina.

La cerimonia della premiazione ai primi tre classificati è stata effettuata dalle autorità presenti che hanno supportato e collaborato alla manifestazione: i padroni di casa della Associazione Marina d'Italia di Sabaudia con il Presidente Massimo Mauti, a seguire il Centro Remiero della Marina Militare di Sabaudia con il Comandante Sergio La Manna, poi l'Amministrazione Comunale di Sabaudia per il patrocinio fornito, con il Delegato Enrico Veglianti ed infine la Proprietà Scalfati per la cortese disponibilità per l'utilizzo del lago.
